The exact supply of spare parts is guaranteed only if they are ordered according to the following indications.

For every requested part, the data to be indicated are:

- the code number of the part;
- the relevant description;
- the requested quantity.

In case the code is not indicated the part, as single spare part, is not available: its description appears in order to clarify the composition of the kit in which it is included.

THE ORDER MUST INCLUDE THE SERIAL NUMBER OF THE PLANT

Example of order

Refer to the drawing and to the relevant table indicated herebelow.
You want to order the part drawn on position 9. The order will be:

06020032 (Serial No.) - **K1005203** (Code No.) - **Fixed scraper belt** (Description) - **1** (Requested quantity)

The supply will consist of the following components already assembled:

- Scraper belt brush (position 9/1)

The part 9/1 is codified, therefore it can be singularly requested.

POS.	CODE	DESCRIPTION	Q.TY
9	K1005203	Fixed scraper belt	1
9/1	L1001401	Scraper belt brush	6

ATTENTION !

In order to obtain the guarantee acknowledgement for parts of plant/equipment, the attached application form must be filled up, and, duly signed, must reach **Le Officine Riunite - Udine S.p.A.** together with its relevant material or separately. **Eventual requests for guarantee submitted by different means will not be considered.**
